Uploading papers

The Transforming Care Conference is based on the principle of *sharing and preparing*. Therefore, please upload your paper no later than **June 1st 2019**, so that other conference delegates can read and prepare comments for you.

The papers are password protected. You receive the password when you register for the conference (*check your receipt for the payment*).

From May 1st, it will be possible to download papers under the sub web menu 'Download papers'. This sub site will be updated weekly, so please be patient if your paper is not yet visible.

For uploading your paper use the following form.

You will need to identify your Thematic Panel/Symposium as well as your User Id. You will find both in the *email* confirming that your paper has been accepted to be presented or contributed.

There are no requirement as to the length or content of your paper.
