17:30-18:30	TCN Members panel	Main Building: Small Hall											
19:00-23:00	Conference dinner	Meripaviljonki, Säästöpankinranta 3											

Friday 27 June

			Small Hall	F3003	F3017	F3020	F3005	F3010	F3006	F3004	U3039	U3029	Fuksi
8:30	Registration open	Main Building											
9:00	Parallel sessions 6	Main Building	TP13d	TP18c	TP2	S6	TP11b	TP4	TP10	TP6	OS5		
10:30	Break (with refreshments)	Main Building: Agora											
11:00	Keynote 3: Håkan Jönson & Tove Harnett	Main Building: The Great Hall											
12:00	Closing session	Main Building: The Great Hall											
12:30	Lunch	Main Building: Agora											

Wednesday 26 June

Parallel sessions 1

TP13a: Dark side of care

Room: Small Hall

Chairs: Tiina Sihto, Paula Vasara

Presentations

- 322 Marja Lönnroth: Navigating the complexities of caring for people with dementia- Moral distress experienced by informal carers
- 102 Åsa Alftberg & Camilla Malm: Dark emotions and emotion work: family caregiving and dementia
- 158 Daniel Offei: Well-Being Gains and Losses from Unorganized Caregiving for Older Adults in Ghana
- 434 Vera Ylinen: The Biopolitical Governance in Times of Covid-19: Elderly services reduced to bare life

Short presentations

- 390 Young Joo Hong: Emotions and caring practice in contermprary South Korean context

S2: The impact of financial costs of care

Room: F3003

Chairs: Minna Zechner, Karen Duncan

Discussants: Päivi Topo, Robert Anderson

Presentations

- Chuck Rainville, Alessandra Raimondi, & Selena Caldera: Caregiving's Cost, Economic Value, and Promising Practices to Support Caregiver's Financial Well- Being
- Karen Duncan, Shahin Shooshtari, Janet Fast, & Md. Aslam Hossain: Financial hardship among carers in low-income: The role of care-related out-of-pocket expenditures
- Viivi Niemelä, Minna Zechner, Motoko Ishikawa & Laura Saarukka: Out-of-pocket expenditure: Value for money or not worth spending?' Qualitative analysis of interviews with older adults and their carers on what they consider expensive and value for money regarding OPE are provided by the authors, who also supplement their work with survey data on older adults
- Shingou Ikeda: Expectation and Reality of out-of-pocket expenses of services for combining work and elder care

S7 Understanding inequalities in long-term care needs and care provision using quantitative methods: QAR-Net Care Network

Room: F3017

Chairs: Jingwen Zhang, Maria Petrillo

Presentations

- Javiera Cartagena-Farías: Long-Term Care Needs and Fuel Poverty Among Older People: Beyond Energy Consumption and Affordability
- Baowen Xue: Association Between Becoming a Carer and Changes in The Trajectory of Cognitive Function: Results From the English Longitudinal Study of Ageing
- Maria Petrillo: The gendered Landscape of Informal Caregiving: Effect and Socioeconomic Inequalities in England
- Christie Butcher & Harriet Ann Patrick: Labour Market Participation and Unpaid Care Work in the UK: An Intersectional Analysis

TP21a Autonomy in long-term care: ideas, discourses, regulations, and practices

Room: F3020

Chairs: Ralf Och, Olivier Giraud

Presentations

- 104 Claude Martin: Autonomy as an horizon concept for LTC policy framing in France
- 398 Thurid Eggers: Different faces of autonomy: Explaining different paths in German and English long-term care policies
- 352 Marie-Victoire Bouquet & Loïc Trabut: Autonomy: uneven appropriations and contrasting interpretations of a central concept in long-term care (LTC) policy in France.
- 413 Alexandra Charette: Autonomy and the governance of 'ageing in place'

Short presentations

- 353 Shajeela Shawkat: Reimagining Autonomy in Rehabilitation: Intimacy, Care, and the Social Body in Spinal Cord Injury in Bengaluru, India

TP3a New technologies in care work: imaginaries, phantasms and new practices of care

Room: F3005

Chairs: Annette Kamp, Hanne Marlene Dahl, Agnete Meldgaard Hansen

Presentations:

- 184 Kate Hamblin & Grace Whitfield: New mediations of care work in England: how digital care systems reorder and reconceptualise care tasks
- 332 Marilena Pateraki: Exploring a Gap in Caring: Curative Imaginaries and Chronic Living with deep brain stimulation in Greece
- 381 Niels Christian Mossfeldt Nickelsen: Privacy with AI sensor technology in care homes
- 388 Hilde Thygesen: Digital exclusion and technology workarounds in care homes for the old

S4: New Research on Ageing and Care: Key findings of the Centre of Excellence in Research on Ageing and Care (CoE AgeCare)

Room: F3010

Chairs: Teppo Kröger, Sirpa Wrede

Discussant: Tania Burchardt

Presentations:

- Marja Jylhä: The ageing population, health and functioning
- Teppo Kröger: International trends and issues in care policy
- Sirpa Wrede: The relationship between migration backgrounds and vulnerability of older people
- Sakari Taipale: Digitalisation, ageing and care

S12 Strengthening supports available to long-term care workers and informal carers for improving their resilience and mental well-being through care partnerships - the EU WELL CARE project

Room: F3006

Chair: Elizabeth Hanson

Discussants: Shereen Hussein, Tadas Leončikas

Presentations:

- Elizabeth Hanson: Paper 1 (Elizabeth Hanson) provides the contextual backdrop for the symposium by giving the rationale for and an overview of the 48-month EU Horizon Europe funded WELL CARE project.
- Marco Socci: Paper 2 (Marco Socci) presents systematic review findings of scientific and grey literature of good practices of innovative solutions supporting LTC workers' and informal carers' resilience and mental well-being, including practices that may foster care partnerships. The "state of the art" in the field will be discussed, including existing knowledge gaps and suggested ways forward.
- Ludo Glimmerveen: Paper 3 (Ludo Glimmerveen) highlights a draft scientific paper that conceptualises care partnerships within the project. Also, a lay summary version which forms part of a living Guide designed to help consortium partners and stakeholders to tailor, implement and evaluate good practices targeted at strengthening the mental well-being of both LTC workers and informal carers.
- Lennart Magnusson, Elin-Sofie Forsgårde: Paper 4 (Lennart Magnusson, Elin-Sofie Forsgårde) features Blended Learning Networks (BLNs) in the five countries for promoting the continuous involvement of LTC workers, informal carers and multi-stakeholders in the project. This includes cross-country findings from national BLN sessions in which care partnerships within formal and informal LTC were discussed.

S15 Ambivalent care and (non)emancipatory human rights approaches

Room: F3004

Chairs: Po-Han Lee

Discussants: Emily Nicholls, Hildegard Theobald

Presentations:

- Tung-Hsien Wu and Ching-Ching Lin: Late Initiation of Prenatal Care in Taiwan: Why Are Rural Residents Behind?
- Yu-Chun Hsieh, Chong-Min Su & Ming-Jui Yeh: The Ethics of Healthy Ageing-Centric Long-Term Care Systems: Using Taiwan as an Illustrative Case
- Chen-I Kuan: Seeking the Right Ways of Care: Research on Tuberculosis and its Control in Taiwan
- Poyao Huang: Evidence-Making Harm Reduction: Chemsex Healthcare and Community Service in Taiwan

OS8 Inequalities and ambivalences of migration and care

Room: U3039

Chair: Deborah Lambotte

Presentations:

- 467 Nuno Ferreira Dias: Home care in Portugal: Where are we now?
- 204 Deborah Lambotte & Benedicte De Koker: Addressing inequalities in care: developing diversity-sensitive training for professionals supporting older persons with a migration background and their informal carers
- 45 HienThi Nguyen: Residing with Descendants: Ambivalence and Adaptive Solutions Among Older Vietnamese Migrants
- Nazlı Akay: Migrant nannies, parenting and well-being: The perspectives from the past and current research

Short presentations:

- 421 Elena Bogdanova: Patient Subjectivity and Access to Healthcare: The Experiences of Displaced Ukrainians with Chronic Illnesses
- 238 Alicia Lee: Walking A Fine Line Between Gratitude and Self-advocacy: Understanding the Experiences of Migrant Domestic Workers in Malaysia

OS3a Reconciling care, work, studies and well-being

Room: U3029

Chair: Susanne Langer

Presentations:

- 251 Susanne Langer & Susanne Martikke: “It is hard”: grappling with the negative emotions and everyday struggles of sandwich caring
- 224 Ana Jagodic: Self-Care and Autonomy Through the Lens of the Ethics of Care
- 418 Miriam Laschinski: Who cares about carers? Economic strain caused by taking up informal care across European care regimes
- 90 Dageni & Marie-Pierre Moreau: Tracing student carers in higher education: A literature review

Short presentations:

- 452 Hanna Kelm: Support for women belonging to “sandwich generation” in reconciling work with providing care over dependent persons in family.

Meet the authors session 1

Room: Fuksi

Chair: Riitta Hänninen

- Alisoun Milne & Mary Larkin: Family Carers & Caring: What It's All About, Emerald Publishing, 2023.
- Pat Armstrong, Hugh Armstrong & Jacqueline A. Choiniere (eds.) The Labour Crisis in Long-term Care: The Right to Care, Edward Elgar, 2024. (presented by Susan Braedley)
- Catherine Needham and Patrick Hall: Social Care in the UK's Four Nations, Policy Press, 2024.
- Riitta Hänninen, Sakari Taipale & Laura Haapio-Kirk (eds.) Digital Repertoires – Embedded and Everyday Technologies in Later Life, UCL Press, 2025

Parallel sessions 2

TP18a: Inequalities of care

Room: Small Hall

Chairs: Teppo Kröger, Nicola Brimblecombe, Lina Van Aerschot

Presentations:

- 287 Ricardo Rodrigues: How out-of-pocket payments for home care impact access to care and poverty risk among older users of care across Europe
- 211 Barbara Da Roit & Marta Pancheva: Gender and Regional Inequalities in Transitions to Informal Caregiving: Evidence from ITA.LI
- 157 Ionut Foldes: Examining Elderly Vulnerabilities and Support Arrangements in Romania
- 179 Rosie Read: Social care crisis and social inequalities: moving away from 'zero sum' approaches

Short presentations

- 415 Gülçin Con Wright: Mapping the Gaps: An Analysis of Inequalities in Turkey's Long-Term Care Provision

TP26a Transforming care work: changing working conditions, actors, approaches and outcomes

Room: F3003

Chairs: Costanzo Ranci, Hildegard Theobald

Presentations:

- 34 Duncan Fisher & Liam Foster: What are paid care workers' attitudes, motivations, and considerations regarding organising?
- 41 Paula Gonzalez Vila: Who pays and who provides? A quantitative cross-regime analysis on the migrantisation and marketisation of care work in Europe
- 127 Lucinda Allen: Identifying and assessing national policy options to improve care worker pay in England
- 289 Monique Lanoix: Teamwork: Lessons from the COVID-19 pandemic

Short presentations:

- 119 Kelly Hall: The Social Care Workforce Crisis: Could Social Enterprise offer a Solution?
- 205 Ting-hsin Li: Democratic Deliberation on Home-Based Childcare Wages in Taiwan: Policy Implications and Governance Challenges

TP25a Transforming early childhood education and care services

Room: F3017

Chairs: Francesca Bastagli, Emmanuele Pavolini, Stefania Sabatinelli

Presentations:

- 29 Martin Gurín: From Termination to Revival: Exploring the Dynamics of Childcare Policy Reintroduction
- 370 Stefano Neri & Stefania Sabatinelli: It's now or never? Expanding ECEC coverage and protecting quality in Italy
- 221 Kayla Benjamin: Childcare in Canada: An intersectional analysis of progress and policy gaps in access and affordability
- 80 Rebecca Gale: Child Care Policy Innovation While the World Is Burning

TP1a: Social care and the changing service pathways of older adults

Room: F3020

Chairs: Heli Valokivi, Paula Vasara, Andrea Lorenz-Wende

Presentations:

- 405 Pamela Pasian Integrated, person-centred and innovative long-term care: the questions we need to answer
- 146 Fintan Sheerin: Caring for Older Adults with Intellectual Disabilities and Emerging Complexity
- 367 Sirpa Granö: Person-centered transition to retirement for ageing people with intellectual disabilities - enabling and challenging factors in the service system
- 253 Myra Lewinter: Refusing Care - Role of Family and Public Services: Three case studies from Denmark

Short presentations:

- 69 Hilla Kiuru & Andrea Lorenz-Wende: Placing the case management of older adults
- 338 Blanca Valdivia: The socio-spatial dimension of long-term care services

S11 The right to access and provide quality long-term care

Room: F3005

Chair and discussant: Susan Braedley

Presentations:

- Reduce- Gudmund Ågotnes, Norway
- Recruit, Marta Szebehely, Sweden
- Replace-Rebecka Strandell, Sweden
- Retain- Christine Streeter, Canada

TP17a Navigating entangled systems: institutional interplays in care systems

Room: F3010

Chairs: Jana Javornik, Mara Yerkes

Presentations:

- 230 Zhongyan Zhang & Wing Kit Chan: The Institutional Interaction of Long-Term Care System in Mainland China and Taiwan: A Path Dependence Perspective
- 347 Jayme Tauzer: Gendered Interplays in Old Age Care: An Intersubjective Perspective
- 269 Susanne Martikke & Susanne Langer: Maintaining infrastructures of caring: sandwich carers' invisible work of keeping care flowing between people, needs, and systems

Short presentations

- 181 Patrick Hall: Layered Ideas, Drifting Structure: institutional change in English long-term care commissioning.

TP8 Caring beyond cure in the narratives from the Global South

Room: F3006

Chairs: Pragya Dev, Binod Mishra

Presentations:

- 105 Luan Hau Man: Care as a dual act: Balancing altruism and self-gratification
- 115 Sree Lekshmi M S: Negotiating Care: Contestations of Psychiatric Treatment and Healing Practices in Indian Autopathographies of Psychiatric Patients
- 195 Rose-ann Mishio: How Female Architects Care: A reflection on the design of housing and their authors
- 428 Pratyusha Pramanik: Reclaiming the Postpartum Body—Self-Care, Maternal Agency, and Resistance in Kalki Koechlin's The Elephant in the Womb

Short presentations:

- 37 Chiun-Ho Hou & Christy Pu: Eyes of Understanding: Ophthalmologists' Attitudes Toward Caring for People with Intellectual Disability

S3: Talking about rights in LTC: a polysemic pool of terms and ideas

Room: F3004

Chair: Bernhard Weicht

Discussant: Claude Martin

Presentations:

- Kristine Krause and Jeanette Pols: Good care' and good care jobs. A comparison of 7 EU countries
- Virginija Poskūte: Priorities in LTC needs assessment in different European countries
- Roberta Perna: Human rights and the sustainability of LTC: an analysis of (conflictive) meanings and challenges in seven EU countries
- Alexandra Lopes: Inequalities in LTC in seven EU countries: does human rights' approach make a difference?

OS4 Technology-assisted care

Room: U3039

Chairs: Erika Takahashi

Presentations:

- 92 Yu-Hsiang Chou: Technology and Well-Being: A Capability Approach Analysis of Pepper Robots in Long-Term Care Facilities
- 5 Yea-Ing Shyu: A smart-clothes assisted home care for family caregivers of persons living with dementia
- 82 Erika Takahashi: Digitalisation and managerial technologies in Finnish home care: socio-technical articulation of care labour and the quality of care
- 432 Sara Skardelly & Leonie Winterpacht: Who cares? Contesting anticipations about the future of “healthy ageing” through Communicative AI

Short presentations:

- 237 Riitta Hänninen: Rethinking warm experts – challenges of informal digital support

OS3b Reconciling care, work, studies and well-being

Room: U3029

Chairs: Shao-fen Lee

Presentations:

- 280 Allison Williams: Standards: An Innovative Solution for Creating Caregiver-friendly Workplaces that makes Employers State Actors in Care Provision as a Human Right
- 295 Thomas Geisen & Karl Krajic: New Social Rights for Employees in the Making? The Company's Role in Combining Employment and Caring for Older Relatives
- 268 Ke-Hsien Lai: The Debate Between Work and Care During the COVID-19 Pandemic: Working Mothers' New Challenge in Taiwan
- 266 Shao-fen Lee: The "Second Shift" of the Home Care Workers in Taiwan through the prism of Capability Approach

OS6 Policies of long-term care

Room: U3040

Chairs: Astrid Pennerstorfer

Presentations:

- 40 Viktoria Szenkurök: The 'Care Penalty' in the Portuguese Labour Market: Examining Pay Differentials in Long-Term Care
- 23 Varvara Lalioti: Delving into the Institutional Setting of Long-Term Care in Greece: Challenges for Quality Service Pathways and Rights
- 319 Julia Radlherr & Astrid Pennerstorfer: Entering Entangled Formal Long-term Care Systems: The Case of a Universal Care Allowance Program
- 176 Anna Elomäki & Hanne Marlene Dahl: Development of long-term care as an EU policy field: framings, boundaries and knowledge

Short presentations:

- 136 Maëlle Meigniez & Katja Haunreiter: Care Work in Swiss Social Policy: Exploring Autonomy through the Personal Assistance Allowance
- 369 Maria Cheshire-Allen: Welfare Mix in Practice: Social Enterprise Organisations, Unpaid Carer Rights, and Co-production in Wales

Meet the authors session 2

Room: Fuksi

Chair: Lea Graff

- Andries Baart & Guus Timmerman: Relational Caring and Presence Theory in Health Care and Social Work - A Care-Ethical Perspective, Policy Press, 2024.
- Robinson, Sally & Fisher, Karen (eds.) Research Handbook on Disability Policy, Edward Elgar, 2023.
- Sung, Sirin (ed.) Gender, Family and Policy: International Perspectives, Edward Elgar, 2025.
- Teppo Kröger, Nicola Brimblecombe, Ricardo Rodrigues & Kirstein Rummery (eds.) Care Poverty and Unmet Needs: Inequalities in Theory and Practice, Policy Press, 2025.

Thursday 26 June

Parallel sessions 3

TP26b Transforming care work: changing working conditions, actors, approaches and outcomes

Room: Small Hall

Chairs: Costanzo Ranci, Hildegard Theobald

Presentations:

- 323 Jiby Mathew Puthenparambil: Workforce Conditions in Finnish Long-Term Care: Analyzing the Impact of the 2023 SOTE Reform
- 361 Itziar Guerendiain-Gabás & Jone Urionaguena: Social recognition of care work and working conditions of domestic workers: a diagnosis among the population of the Basque Country
- 453 Annie Dussuet: Autonomy vs. independence for home care workers: what transformations in employment and work organization models
- 378 Michaela Evans-Borchers & Denise Becka: 'Fair Wage Clauses' in Long-Term Care: Prospects and limits of a new governance between collective bargaining policy and welfare state

Short presentations:

- 310 Nobu Ishiguro: A Workforce Divided: The Polarization of Full-Time and Registered Home Care Workers in Japan's Marketized Long-Term Care

TP18b: Inequalities of care

Room: F3003

Chairs: Teppo Kröger, Nicola Brimblecombe, Lina Van Aerschot

Presentations:

- 470 Sarah Jasim: Understanding the influence of diverse cultural backgrounds and ethnicity as barriers to access and uptake of UK social care services
- 19 Tania Burchardt: Re-framing long-term care policy: from services to social determinants
- 27 Seonwoo Yoon: Care Needs Interpretation on the Ground: Why Older People in Poverty and Elderly Females are More Likely to be Excluded
- 112 Shu-Man Pan: Navigating Multiple Layers of Exclusion: The Experience of PLWHAs and LGBTQ+ Individuals Facing Intimate Partner Violence in Social Care Systems

Short presentations:

- 260 Leena Forma: The association of income and dementia diagnosis with receiving long-term care

TP22 Changing policies and cultures of motherhood and fatherhood

Room: F3017

Chairs: Birgit Pfau-Effinger

Presentations:

- 122 Merita Mesiäislehto: The complex interplay between changing gender role attitudes and family policies: case Finland
- 250 Adi Sadeh: Changing the cultural ideal of fatherhood? How High-Tech Companies are redefining fatherhood for Israeli men
- 333 Sandra Obiol-Francés: School, Time and Parenting: How does the Compacted School Schedule Impact on the Caring Arrangements?
- 364 Johanna Närvi: Finnish parents' time use in childcare – who cares, how much and in which tasks is the time spent?

Short presentations:

- 326 Anis Farid: Renegotiating Gender Roles: Examining shifts in care redistribution amongst Malaysian COVID-19 Essential Care Workers
- 154 Sirin Sung: Changing Fatherhood?: Gender Norms, Culture and Policies in South Korea

TP1b: Social care and the changing service pathways of older adults

Room: F3020

Chairs: Heli Valokivi, Paula Vasara, Andrea Lorenz-Wende

Presentations:

- 188 Sara Wittzell: Making sense of a denied application for residential eldercare: experiences of older people and family carers
- 457 Petra Ulmanen: Further development of a conceptual model of family members' managerial caregiving: three types of processes differing in tasks and experiences
- 156 Karen Christensen & Oddvar Førland: Representations of early intervention in long-term care pathways in the Nordics
- 75 Paula Vasara & Tiina Hautamäki: Discretion as Resistance – Case Management with Older Adults in New Wellbeing Services Counties in Finland

Short presentations:

- 442 Tianqin Chen: The impact of public spaces in elderly living communities on daily activities and social interactions

OS1 Methodological and ethical approaches in care research

Room: F3005

Chairs: Tove Harnett

Presentations:

- 22 Rachel Crossdale: Carers' research: Who is it for? A critical evaluation of carers' research since the start of the Carers' Movement
- 360 Tove Harnett & Glen Möllergren: Balancing Past and Present: Using Life Stories in Dementia Care
- 455 Julia Lawrence: Navigating Ethical Challenges in Co-Production: Lessons from the Intersectional Stigma of Place-Based Ageing (ISPA) Project
- 248 Martina Smith & Francesca Ribenfors: Inviting Kindness and Curiosity into English Health and Social Care Systems

Short presentations:

- 214 Chantal Hillebregt: Co-creating the future of transforming carepartnership in nursing homes: a participatory research approach
- 294 Ferhana Hashem & Sophie Fournel: Using communities of practice to strengthen caregivers and care receivers' participation in co-producing knowledge, defining territory and inventing new practice

TP17b Navigating entangled systems: institutional interplays in care systems

Room: F3010

Chairs: Jana Javornik, Mara Yerkes

Presentations:

- 219 Håkan Jönson: Navigating the support system: Older adults as the bricoleurs of Swedish home care
- 306 Macgregor Goodman: Filling the gaps: How do family carers reveal and resist systemic failures in healthcare?
- 448 Bastian Weiss: General Practitioners as Key Actors in Navigating End-of-Life Care Networks: Institutional Interplays in Austrian Primary Health Care
- 78 Chieh-hsiu Liu : Navigating Care Poverty: Unmet Care Needs during Health and Social Care Transitions under Taiwan's Long-Term Care 2.0 Reform

Short presentations:

- 31 Chiara Giordano: The public, the private and “the hidden”: undeclared work in home care for older people in Belgium

S9 Routes out of the care crisis: exploring care system innovations in comparative perspective

Room: F3006

Chairs: Catherine Needham, Anette Fagertun, Emily Burn

Discussant: Kate Hamblin

Presentations:

- Hanne Marlene Dahl: The Care crisis in the Nordics: Characteristics, Consequences and some policy options
- Frode F. Jacobsen, Laila Nordstrand Berg, Anette Fagertun, Ingrid Jerve Ramsøy: The travel of a concept: Innovation as a panacea for the Norwegian public sector
- Ingrid Jerve Ramsøy, Anette Fagertun, and Frode Fadnes Jacobsen: Cost-saving as innovation? Betterment in municipal home-care services in Norway
- Emily Burn and Catherine Needham: Integration of health and care as a route out of the care crisis: freeing up innovation or silting up the system?

TP7 A human rights approach to dementia care: actors, policies, and provisions

Room: F3004

Chair: Gülçin Con Wright

Presentations:

- 175 Olga Asrun Stefansdottir: Lost in Transition - when Losing a Spouse to Dementia and Long-Term Care Facilities
- 243 Anže Štrancar: Characteristics and Challenges of Informal Care for People with Dementia in Slovenia
- 292 Guus Timmerman: Advanced Dementia from Within: Ambiguous for Both
- 393 Vivian Toemen: The Role of Happymakers in Dementia Care: A Social Approach to Upholding Human Rights

Short presentations:

- 88 Edward Tolhurst: How can the personhood of dementia care workers be supported?

S14 The FAMCARE project: Care and wellbeing in Dutch families in different policy contexts

Room: U3039

Chairs: Marjolein Broese van Groenou

Discussant: Tine Rostgaard

Presentations:

- Marjolein Broese van Groenou: Objectives and design of the FAMCARE project (2023-2025) on care networks and wellbeing in families of older adults in the Netherlands
- Silvia Klokgieters: How are care networks associated with wellbeing of older care recipients – a comparison over historic time in the Netherlands
- Jens Abbing: Sibling influence on adult children's caregiving to older parents in different time periods in the Netherlands
- Joukje Swinkels: Sharing the care: how help from formal and informal caregivers impacts on caregiver's burden within families in 2001 and in 2023

TP16 Children's role as unpaid carers and its social consequences from human and social rights perspectives

Room: U3029

Chair: Başak Akkan

Presentations:

- 21 Rebecca Lacey: Young Carers and Inequalities in School Performance: Insights from the UK Household Longitudinal Study and National Pupil Database
- 95 Susanna Haverinen & Sini Järnström: Young carers in Finland: First reflections from a qualitative longitudinal participatory study
- 371 Kirsi Hokkila: Navigating Conceptual Challenges: Advancing Support and Rights for Young Carers in Finland
- 465 Anusuya Moitra: I Care too little or too much ? An Account on Experiences of Children with Disabilities in Uluberia

Parallel sessions 4

TP26c Transforming care work: changing working conditions, actors, approaches and outcomes

Room: Small Hall

Chairs: Costanzo Ranci, Hildegard Theobald

Presentations:

- 60 Hildegard Theobald: Reforms in long-term care work in Germany: Policies and inequality dynamics
- 61 Shereen Hussein: Shaping Social Care: Predictable and Unpredictable Policy Impacts on the UK's Care Workforce and Future Directions
- 283 Marco Arlotti & Barbara Da Roit: Long-term care and employment regulation, and labour shortages: an Italian case study
- 135 Marianne Giske Holvik: Task shifting and transformations of care work and care

Short presentations:

- 462 Tamara Daly: Super-Invisibility: 'Older' Care Workers in Home Care and Long-term Care

TP13b Dark side of care

Room: F3003

Chairs: Tiina Sihto, Paula Vasara

Presentations:

- 344 Antero Olakivi: Rejecting care workers' action proposals in older people care: a dramaturgical perspective to psychological safety in workplace interactions
- 431 Maria Teresa Ferazzoli: Mental illness, resources constraint, and human rights: reflections from a scoping visit in Ghana
- 328 Elisa Tiilikainen: Home as a place of exclusion – visiting the dark side of current ageing-in-place policies
- 324 Iiris Lehto: The dark side of mundane data care work

Short presentations:

- 56 Chunhua Chen: Facing reality and then coping – Recognising the complex dynamics of care relationships in reablement in the UK

TP19a Disability and human rights: Addressing support gaps across

Room: F3017

Chairs: Teppo Kröger, Yueh-Ching Chou, Salla Era

Presentations:

- 461 Benoît Eyraud: A Human Rights Approach to Disability? Applying the Spiral Model to the French Adoption of the CRPD
- 375 Gabor Petri: Are human rights-based care reforms possible in backsliding democracies? - Lessons from Central and Eastern Europe
- 229 Xin-yu Zhang: Lived Experiences and Agency of Younger Disabled Persons Living in Institutions for Older Adults
- 32 Denise Tyler: Association Between Self-Directed Models and Personal Care Assistant Wages

Short presentations:

- 215 Richard Brunner & Aisha Macgregor: Understanding and improving the wellbeing of Personal Assistants employed by disabled people: What do we know? What should be done?

TP25b Transforming early childhood education and care services

Room: F3020

Chairs: Francesca Bastagli, Emmanuele Pavolini, Stefania Sabatinelli

Presentations:

- 39 Gabriela De Carvalho: Comparing the Inclusiveness of Social Policy in-Kind Benefits: Using the Family Model Method across Six Cases
- 65 Calum Webb: Did cutting spending on preventative services for children and families increase rates of child welfare interventions in England?
- 261 Antonio Carvalho & Alarico Ruffino: Education and Inclusion: on the importance of spaces for intergenerational bonding

Short presentations:

- 249 Doreen Gutewort: Early childhood experiences of participation as foundation for democratic socialisation

TP3b New technologies in care work: imaginaries, phantasms and new practices of care

Room: F3005

Chairs: Annette Kamp, Hanne Marlene Dahl, Agnete Meldgaard Hansen

Presentations:

- 140 Leif Sundberg: Frames of Participation in the use of Welfare Technology in Elderly Care
- 174 Antti Härmäläinen: Transforming the Nordic Welfare Regime – Policies and Frictions in Introducing Welfare Technology
- 317 Romi Mikulinsky: Designing Inclusive Phygital Spaces: A Speculative Workshop for Elder Care
- 244 Annette Kamp & Agnete Meldgaard Hansen: Welfare technology as a ‘solution’ to the care crisis: Socio-technical imaginaries and transformations of care in the Danish welfare state.

Short presentations:

- 101 Gloria Ziglioli: Digital care imaginaries: An evolution of socio-technical transformation in Norwegian care

TP21b Autonomy in long-term care: ideas, discourses, regulations, and practices

Room: F3010

Chairs: Ralf Och, Olivier Giraud

Presentations:

- 241 Femmianne Bredewold: Rethinking reciprocity: Care dependency and the limits of autonomy in Western relationship models
- 404 Eléonore Segard: Roles of professionals in considering older people's autonomy in the context of support : a scoping review
- 409 Virginia Mellado & Arnaud Trenta: Housing arrangements and the autonomy of elderly and disabled people
- 316 Angela Perone: Safety versus Autonomy in Long-Term Care Facilities in the United States

OS9 Vulnerabilities and care

Room: F3006

Chairs: Christine Kelly

Presentations:

- 190 Christine Kelly: Effective Interventions to Strengthen the Care Workforce: A Realist Synthesis Review
- 271 Shu-Er Wei: Change in the Cause of Death Structure in Taiwan and its Social Care Implications: the Analysis from 1972 to 2023
- 263 Huifen Hung: The isolated single-mother carers of children with disabilities under precarious employment
- 207 Sarah Åkerman: The alienating experiences of caring for a spouse with dementia in a neoliberal society

Short presentations:

- 117 Yu Yinting: Addressing Loneliness, Depression, and Enhancing Quality of Life Among Care Home Residents: An Intervention Study

S10 Equal social rights to care and living environments for older people – a question of collaboration: CollAge

Room: F3004

Chairs: Ebba Högström, Katarina Andersson

Discussants: Virve Repo, Karen Christensen

Presentations:

- Ebba Högström and Daniel Movilla Vega: Collaboration and innovation in eldercare housing in the light of visions
- Amanda Nyberg: Care, planning, and ageing-in-place in rural areas
- Tirtha Rasaili: Mapping the discourses around older people and eldercare in Sweden's municipal comprehensive plans: perspectives, implications and challenges
- Maria Sjölund and Katarina Andersson: Age-friendliness for whom? Experienced senior-citizens as co-researchers: accounting for equal social care, sustainable living arrangements and social representations of ageing

S13 Transforming care in the lives of people with learning disabilities and their family carers through co production research

Room: U3039

Chairs: Martina Smith, Francesca Ribenfors

Discussants: Katherine Runswick-Cole

Presentations:

- Martina Smith
- Francesca Ribenfors
- Harriet Cameron & Katherine Runswick-Cole
- Charlie Grosset

S8 Long-term care policies and intergenerational care support in China

Room: U3029

Chairs: Yingzi Shen

Discussants: Sue Yeandle, Kate Hamblin

Presentations:

- Wenjing Jin: Diffusion of Long-term Care Policies in China: qualitative research based on policy texts
- Sha Li: Who Will Look After Our Older People in China in the Future?
- Jiaxin Liu: Two levels of agency: the negotiation of intergenerational support in Chinese families
- Yingzi Shen: Intergenerational cooperation on childcare in rural-to-urban migrant families in southern China

Parallel sessions 5

TP13c Dark side of care

Room: Small Hall

Chairs: Tiina Sihto, Paula Vasara

Presentations:

- 71 Jenni Repo: Challenges in Implementing Legislation in Children's Residential Homes in Finland: Care Workers' Views
- 203 Claire Edwards & Carol Kelleher: Challenging care deficits: negotiating the politics and consequences of complaint in neoliberal care configurations in Ireland
- 307 Macgregor Goodman: Routinized violence: Staff perspectives on the acceptability of force in long-term residential care

TP9 Strengthening informal carer's social rights through public policies

Room: F3003

Chairs: Mirjam Pot, Selma Kadi

Presentations:

- 173 Camille Allard: A gap in public policy: employer-led carer's leave and the reproduction of care inequalities in 'carer-friendly' jobs in the UK
- 171 Maureen D'Eath & Damien Brennan: 'Keeping it in the Family': The rejected Irish Constitutional amendment on family caregiving – Insights from the IDS-TILDA Carer Study
- 234 Francesca Donati: The opportunities of informal carers: the multilevel local policies of southern Europe.
- 68 Tobias Dumschat: The potential influence of an unconditional basic income on the living situation of employable informal carers

Short presentations:

- 301 Kayla Benjamin: Health and social care policies with consequences for unpaid caregivers in Bogotá, Colombia: An intersectionality-based policy analysis

TP19b Disability and human rights: Addressing support gaps across

Room: F3017

Chairs: Teppo Kröger, Yueh-Ching Chou, Salla Era

Presentations:

- 131 Sally Robinson: Responding to everyday harm against people with cognitive disability
- 79 Ruth Bartlett & Laura Cole: Live-in care for people with dementia (LIVE-DEM): Introducing the first study conducted in England
- 132 Ya Ching Chang: The Intersection of Aging, Mental Health, and Care Poverty: Experiences of Adults with Psychosocial Disabilities
- 365 Ching-Wen Chang: Personal Recovery in Individuals with Schizophrenia in Taiwan: A Qualitative Investigation of Enabling Factors and Support Needs

Short presentations:

- 422 Mridula Muralidharan: Shadow Teachers as the Invisible Workforce of Inclusion: A Study from India

S5 A new metric to assess long-term care as a human right: Care poverty and unmet needs

Room: F3020

Chairs: Kirstein Rummery, Ricardo Rodrigues

Presentations:

- Kirstein Rummery: Care poverty and conflicts in social citizenship: the right to care?
- Ricardo Rodrigues: Methods to match a novel concept: approaches to measuring care poverty
- Christine Kelly: Care poverty: centering older and disabled people in the care economy
- Mari Aaltonen: People with dementia and their informal carers: at particular risk of care poverty

TP11a Care responsibility and social rights in a welfare mix

Room: F3005

Chairs: Hildegard Theobald

Presentations:

- 73 Hanna Sjögren & Andrea Lorenz-Wende: Policy and media constructing the role of families in elder care: Framing “family-care” as the new normal
- 394 Birgit Pfau-Effinger & Thurid Eggers: Familisation of Childcare and Social Rights in the Pandemic COVID-19 - Pandemic-related Childcare Policies in Different Types of Care Arrangements
- 355 Sandra Obiol-Frances & Jordi Bonet-Martí: Continuities and changes in women's discourse on care in the context of COVID-19
- 354 Živa Humer & Lea Lebar: Between familialization and defamilization: development of long-term care system in Slovenia

Short presentations:

- 382 Yumika Shirase: The Public Responsibilities and Social Rights of the Preventive Long-term Care Services for Older People in Japan
- 302 Suzanne Hodgkin: Examining responsibility for care of older people in rural Uganda.

TP14 Climate change and long-term care: a perspective on human and social rights of people who receive and provide long-term care

Room: F3010

Chairs: Andrea E. Schmidt, Adelina Comas-Herrera, Liat Ayalon

Presentations:

- 346 Adelina Comas-Herrera & Andrea Schmidt: Climate change and long-term care: a perspective on human and social rights of people who receive and provide long-term care
- 391 Angela Perone: The Five C's of Climate Change and Caregiving: Moving from Catastrophic to Cohesive Caregiving for Older and Disabled Adults
- 42 Aviad Tur-sinai: The Sustainability Spillover: Uncovering the Link between Informal Elder Care and Eco-Conscious Behaviors across the European Union
- 438 Andrea E. Schmidt: Climate-health profiles of informal caregivers: a time use study

Short presentations:

- 389 Beatrice Ietto: The Role of Digital Technologies in Enhancing the Sustainability of Long-Term Care: Addressing Climate Change Challenges

TP5 The emergence and potential of a rights agenda for unpaid/family carers: the roles of state actors, carers' organisations and international agencies

Room: F3006

Chairs: Sue Yeandle, Kate Hamblin

Presentations:

- 445 Jayne Astbury: Supra-national carers' organisations and their impact
- 236 Sarah Claes: Balancing Care: Human Rights Perspectives on Family Caregivers in Long-Term Care Models
- 120 James Janeiro & Liv Mendelsohn: Public Policy and a Rights-Based Triadic Care Model: Strengthening Partnerships between Providers, People Needing care, and Family Caregivers
- 232 Loretta Baldassar & Heli Askola: Care, older people and borders: the struggle for rights in the context of transnational care and global care chains

TP23 Transformations in home care markets: organisational intermediaries, platformisation, and the impact of digitalisation on care regimes

Room: F3004

Chairs: Nuno Ferreira Dias

Presentations:

- 85 Ritwika Patgiri: Platform Economy and the Crisis of Care
- 160 Lisa Waldenburger & Bernhard Weicht: The mediation of foreign live-in carers in Austria - can a state-funded, non-profit agency improve the very precarious working conditions?
- 212 Dóra Gábrriel & Noémi Katona: Shifting Dynamics and Professionalization Trends in the Home-Based Care in Hungary
- 148 Nicole Teke: Digital platforms in domestic and care work in France: strategies for new business models

Short presentations:

- 186 Helena Hirvonen & Diane Burns: Decent work through AI-driven platform care? Exploring possibilities for equal and inclusive long-term care in the UK, Sweden and Finland
- 89 Katja Haunreiter & Maëlle Meigniez: Enhancing Autonomy in Swiss Long-Term Care: Towards a Unified, Accessible Digital Platform for Para-Employers

OS2 Support and services to improve carers' wellbeing

Room: U3039

Chairs: Giovanni Lamura

Presentations:

- 129 Chen-fen Chen: Development of an Innovative Respite Service Model: The Mutual Support Respite Service Approach
- 216 Giovanni Lamura: Supporting unpaid carers of older people in Italy: an analysis of the implementation of international policy recommendations at regional level
- 314 Hongsoo Kim: Characteristics and Healthcare Utilization Disparities Between Domestic and Foreign Care Workers in South Korea
- 38 Chiun-Ho Hou & Christy Pu: The Mental Health Toll: A National Study on the Well-Being of Parents Caring for Children with Disability of Various Ages

Short presentations:

- 359 Thomas Hansen: The double-edged sword of becoming a caregiver: dynamic impact on four dimensions of well-being in Norway
- 239 Maddalena Gambirasio & Giosuè Ruggeri: Innovative Models for Supporting Family Caregivers: The Project "Caregiver Bergamo – Supporting Those Who Provide Care"

OS7 Relational, emotional and supportive aspects of care

Room: U3029

Chairs: Paul Willis

Presentations:

- 114 Ditte Andersen: Care as product or presence: Social investments in welfare state provision of care for people in vulnerable positions
- 213 David Palomera: Market and bureaucracy against care? The organisational development of the residential sector for the elderly in Catalonia
- 278 Paul Willis: Connections, conflict, and cliques: examining neighbourly relations and social dynamics in UK housing with care schemes for older people
- 113 Patricia Robinson: Transformations of Touch and Care: Emotional Connections in Irish Nursing Homes During the Covid-19 Pandemic

Short presentation:

- 62 Haley Swenson: Rights, Care, and the Politics of Supportive Policy: Learning from the United States' \$5.2 Trillion COVID-19 Investment in Families

Meet the authors session 3

Room: Fuksi

Chair: Lea Graff

- Tamara Daly & Susan Braedley (eds.) *Aging Equitably with Care: Power, Policy, Practice*, Policy Press, 2025.
- Doris Lydah & Niels Christian Mossfeldt Nickelsen (eds.) *Ethical and Methodological Dilemmas in Social Science Interventions – Careful Engagements in Healthcare, Museums, Design and Beyond*, Springer, 2023.
- Marsh, Pauline & Williams, Allison (eds.) *Cultivated Therapeutic Landscapes: Gardening for Prevention, Restoration and Equity*, Routledge, 2023.

Friday 27 June
Parallel sessions 6

TP13d Dark side of care

Room: Small Hall

Chairs: Tiina Sihto, Paula Vasara

Presentations:

- 26 Siobhan O'Dwyer: What can we learn from carers who kill? A critical examination of homicides and homicide-suicides perpetrated by unpaid carers
- 139 Alisoun Milne: Carer Harm: A Challenge for Practitioners, Services and Research
- 169 Diane Burns: When abuse is not abuse: A communication as constitutive of organization (CCO) perspective
- 469 Monique Lanoix & Cayleigh Sutton: Schedules, care provision and workarounds

TP18c: Inequalities of care

Room: F3003

Chairs: Teppo Kröger, Nicola Brimblecombe, Lina Van Aerschot

Presentations:

- 218 Richard Brunner: How should we be defining unmet needs in contemporary adult social care? Incorporating the 'missing link' to independent living outcomes
- 276 Syazwani Hamzah: The Plight of Informal Domestic Workers in Malaysia: A Study on Indonesian and Filipina Care Workers
- 118 Nicola Brimblecombe: Housing quality and condition as a determinant of unmet need and inequalities in care among older people in England
- 245 Carolin Fischer: Meanings and Dimensions of a Caring Society in an Unequal World

TP2 Carer rights and risks of inequalities throughout the life-course

Room: F3017

Chairs: Norah Keating, Ricardo Rodrigues

Presentations:

- 305 Fiona Alpass: Caregiving Across Decades: The Cumulative Impact of Caregiving on Late-Life Disadvantage
- 67 Ester Gubert: Caring trajectories: exploring the dynamic experiences of working carers in England and the Netherlands
- 18 Maxine Watkins & Louise Overton: Understanding the lived experience of unpaid caregiving and risks to financial wellbeing
- 286 Ricardo Rodrigues: Trajectories of care utilization and unmet needs for long-term care in Europe

Short presentations:

- 198 Tjasa Potocnik: The Interplay of Previous Life Experiences and Contextual Factors in Shaping Caregivers' Choices and Quality of Life in Slovenia

S6 Understanding, Enhancing and Sustaining the Quality of Life at Work for Long-Term Care Workers

Room: F3020

Chairs: Barbara Da Roit, Shereen Hussein

Discussants: Teppo Kröger

Presentations:

- Shereen Hussein: Developing and Prepare for the Implementation of the ASCK-WELL Instrument for Measuring Work-Related Quality of Life in Adult Social Care
- Marco Arlotti: Studying the quality of working life in Italian residential long-term care facilities
- Joanne Spetz: Understanding the factors that are linked with burnout and intentions to quit among aides in nursing homes and assisted living in the U.S.

TP11b Care responsibility and social rights in a welfare mix

Room: F3005

Chairs: Hildegard Theobald

Presentations:

- 380 Jelena Matancevic & Danijel Baturina: Contemporary challenges and prospects of the long term care in Croatia: who cares and whom do we care for?
- 423 Neda Deneva & Mihaela Hărăguș: Transformation of Elderly Care in Romania: Shifting Boundaries of Family, Market, and State Responsibility
- 258 Chi-wei Chen: Ideal Care Responsibilities and Arrangements: Their Relationship with Gender and Political Socialization
- 93 Jamie Woodworth & Dröfn Birgisdóttir: Ageing in community – connecting seriously ill older people to supports in civil society using the community connector model

Short presentations:

- 341 Blanca Valdivia: Community care infrastructures to sustain life in neighborhoods

TP4 Participatory rights as social rights: institutions, consequences, and concepts in long-term care

Room: F3010

Chairs: Thurid Eggers, Ruth Abramowski, Miriam Laschinski

Presentations:

- 417 Birgit Pfau-Effinger & Ralf Och: Agency and Social Rights in Care Policies
- 285 Sheila Novek: Participatory Rights, Resident Councils and Power Relations in Residential Long-Term Care Settings
- 147 James Caiels & Rasa Mikelyte: Enhancing Participatory Rights: Co-Designing an Accessible Adult Social Care Outcomes Toolkit to Amplify the Voices of People Living with Dementia
- 408 Amber Cagney & Maria-Teresa Ferazzoli : IMPACT Networks: a model to implement co-production

Short presentations:

- 177 Rosie Read: Common interests or distinctive demands? Participation and activism in campaigns to transform social care in the UK.
- 366 Malin Björk: Exploring human rights and the value foundation in Swedish elderly care

TP10 The emerging interaction between familial and paid care: a comparative Global South perspective

Room: F3006

Chairs: Elisabeth Schroeder-Butterfill, Annapurna Pandey

Presentations:

- 28 Saana Raittila-Salo: Finding a person with a “long heart”: Paid helpers as caregivers for older adults in rural South Africa
- 200 Catalina Ganga León: Emotion work in aging societies: A qualitative study of (family and paid) caregivers in Chile and Germany
- 372 Ulas Sunata: The Shifting Boundaries of Care: Migrant Domestic Workers in Türkiye and the Changing Dynamics of Familial and Paid Elder Care
- 379 Emily Freeman: Conceptualising the costs of dementia care for families in India in light of the interaction between familial and paid care

Short presentations:

- 196 Pragya Dev: Representations of Care: Invisible Paid Caregiver(s) in Piku
- 474 Annapurna Pandey: Eldercare Homes – A New Model of Care in India

TP6 Digital technology and care: resources, rights and risks

Room: F3004

Chairs: Emma Garavaglia, Kate Hamblin, Grace Whitfield

Presentations:

- 264 Bernhard Weicht & Lisa Waldenburger: The “problem” of ageing – addressing or shaping problem constructions?
- 187 Gemma Hughes: Artificial intelligence and social care for older people: a typology of care automating technologies informed by a configurational approach
- 110 Mai Yamaguchi: Human Rights Issues in Care in the Era of Digitalization: Challenges Found in Japan
- 416 Annika Hudelmayer & Johanna Schütz: “I find the app very helpful, but haven't used it” Investigating the promises of a mobile app for home care

Short presentations:

- 116 Blanca Deusdad: Robotics to support ageing and social inclusion in nursing homes: MyRobot project, an ethical approach
- 424 Vilja Levonius: Empathy and Power in Social Media – Who Defines What Care Looks Like?

OS5 Gender, precarity and new care futures

Room: U3039

Chairs: Shu-Yung Wang

Presentations:

- 153 Shu-Yung Wang: Caring Time Poverty and Parenting Practices in Taiwan: Impact of Workplace and Parental Leave Policies Reform
- 99 Aija Lulle: Menopause – new ageing and care futures?
- 228 Yueh-Ching Chou: Being both a Personal Assistant and a Home Care Worker: Reimagining Feminist Care Ethics through a Human Rights Lens
- 458 Janna Klostermann: Granny dumping? Gender, aging and extreme precarity in post-welfare states

Short presentations:

- 262 Carolina Herrera Cano: Comparative Perspectives on Care Policy: A Feminist Analysis of Scotland and Colombia's Approaches to Care Work
- 108 Carol Kelleher: Navigating In/ter/dependence : Complicating Care and Care Relations in Chronic Disease Management
