

5th Transforming Care Conference

Time in Care: The Temporality of Care Policy and Practices

June 24-26th 2021, Ca' Foscari University of Venice, Italy

Thursday June 24th								
From 10.00 to 10.45 am	Welcome session							
From 11.00 am to 12.30 pm	Parallel sessions A							
	R1	R2	R3	R4				
	S1	TP3 a	TP16 a	TP17 a				
From 12.45 to 1.45 pm	Lunch break							
From 1.45 to 2.15 pm	Opening (plenary)							
From 2.15 to 3.15 pm	Keynote Daniela Del Boca <i>Women's and Men's Work, Housework and Childcare, before and during COVID-19</i>							
From 3.30 to 5.00 pm	Round table "Care at stake: post-pandemic research and policy"							
From 5.15 to 5.45 pm	Coffee break							
From 5.45 to 7.15 pm	Parallel sessions B							
	R1	R2	R3	R4	R5	R6	R7	R8
	S9	S11	TP1a	TP5a	TP10 a	TP13 a	TP15	TP18 a
From 7.30 to 8.30 pm	Evening program							

Friday June 25th	
From 8.30 to 10.00 am	Parallel Sessions C
	R1 R2 R3 R4 R5 R6 R7
	S8 TP2 a TP3b TP13 b TP14 a TP18 b TP22
From 10.15 to 10.45 am	Coffee break
From 11.00 am to 12.30 pm	Parallel sessions D
	R1 R2 R3 R4 R5 R6 R7
	S2 S4 S5 S10 TP1b TP5b TP7a
From 12.45 to 1.45 pm	Meet the editors
From 2.00 to 3.00 pm	Keynote Margarita Estevez-Abe <i>LTC System and Pandemic Preparedness: Lessons from the COVID-19</i>
From 3.15 to 3.45 pm	Coffee break
From 4.00 to 5.30 pm	Parallel sessions E
	R1 R2 R3 R4 R5 R6 R7
	S13 TP6 a TP14 b TP16 b TP17 b TP19 TP23
From 6.00 to 7.00 pm	<i>Drinks</i>

Saturday June 26th								
From 9.00 to 10.30 am	Parallel sessions F							
	R1	R2	R3	R4	R5	R6	R7	
	S3	S7	S12	TP7b	TP8	TP10 b	TP20	
From 10.45 to 11.00 am	Coffee break							
From 11.15 am to 12.45 pm	Parallel sessions G							
	R1	R2	R3	R4	R5	R6		
	S6	TP2 b	TP4	TP6b	TP9	TP21		
From 1.00 to 2.00 pm	Lunch break							
From 2.00 to 3.00 pm	Keynote Peter Moss <i>Time for a change - rethinking time in education and care policy and practice</i>							
From 3.00 to 3.30 pm	Concluding session							

5th Transforming Care Conference

Time in Care: The Temporality of Care Policy and Practices

June 24-26th 2021, Ca' Foscari University of Venice, Italy

Detailed Program Parallel Sessions

Parallel Sessions A - Thursday 24 h. 11.00 am - 12.30 pm (Central European Time)

S1 - ROOM 1 - The IN-CARE project: Socioeconomic inequalities in care use and provision across countries and over time

(Convenor: Marjolein Broese van Groenou, Vrije Universiteit Amsterdam;
Discussant: Tine Rostgaard, Roskilde University)

Indicators of familism and defamilisation in long-term care: A theoretical overview and introduction of macro-level indicators, **Ellen Verbakel** (Radboud University), **Karen Glaser** (King's College London), **Yasmina Amzour** (King's College London), **Martina Brandt** (Technische Universität Dortmund)

Socio-economic inequalities in home-care use across regional long-term care systems in Europe, **Ginevra Floridi**, **Ludovico Carrino** and **Karen Glaser** (King's College London)

Socioeconomic inequalities in the wellbeing of informal caregivers across Europe, **Martina Brandt**, **Judith Kaschowitz**, **Nekehia T. Quashie** (TU Dortmund University)

Socio-economic inequality in long-term care: a comparison of three time periods in the Netherlands, **Jens Abbing**, **Bianca Suanet** and **Marjolein Broese van Groenou** (Vrije Universiteit Amsterdam)*

TP3a - ROOM 2 - Time in disability policies and in support for disabled people in different care regimes

(Convenors: Yueh-Ching Chou, National Yang Ming Chiao Tung University; Teppo Kröger, University of Jyväskylä)

*Designing rights-based care and support policy to balance competing claims: Resources, services, time, flexibility and voice, **Yvette Maker** (University of Melbourne)*

*When is it rational for French adults with disabilities to opt for a publicly subsidized complementary health insurance?, **Sylvain Pichetti** (Institute for Research and Information in Health Economics), **Maude Espagnacq** (IRDES)*

*The inclusive, social space-oriented participation of people with disabilities in the Bavaria-Tyrol border region during the COVID-19 pandemic, **Lukas Kerschbaumer, Sascha Gell, Ajla Nesimovic** (Management Center Innsbruck)*

*Time in disability policies and accessibility for disabled people in four Asian countries, **Yueh-Ching Chou** (National Yang Ming Chiao Tung University), **Toshiyuki UWANO** (University of Tokyo), **Sarai Kittawan** (Huachiew Chalermprakiet University), **Linh Nguyen Dieu** (Vietnam Academy of Social Sciences), **Supornum Mongkolsawadi** (Redemptorist Foundation for People with Disabilities), **Nguyen Thanh Tung** (Disability Research & Capacity Development Center), **Chien-Ju Chou** (Taiwan Disabled Women's Alliance for Equal Rights)*

TP16a - ROOM 3 - Comparing long-term care policies in time and space: Historical developments and cross-country variations

(Convenors: Johanna Fischer, University of Bremen; Heinz Rothgang, University of Bremen)

*The proposal for a National Long-term Care System Policy in Costa Rica. An international comparison, **Mauricio Matus-López, Alexander Chaverr-Carvajal** (Pablo de Olavide University)*

*The transformation of elder care- and civil society regimes: A comparison of the changing involvement of voluntary work in Germany, Sweden, and Japan, **Hildegard Theobald** (University of Vechta)*

*Varieties of Marketization - Institutional Regulation of Supply and Demand in Long-Term Care Policies, **Christopher Grages** (University of Hamburg)*

TP17a - ROOM 4 - The changing meaning of informal care

(Convenors: Barbara Da Roit, Ca' Foscari University of Venice)

Doing the laundry: at the intersection of formal and informal care, **Leonoor Gräler** (Erasmus University Rotterdam), **Hester van de Bovenkamp** (Erasmus University Rotterdam), **Job van Exel** (Erasmus University Rotterdam)

Between formal and informal care for elderly people in pandemic times. Reflection from the voices of migrant care-workers and families of the patients, in Veneto region, **Francesco Della Puppa**, **Francesca Frasson**, **Elisa Matutini** (Ca' Foscari University)

Maintaining or letting go of couplehood: Perspectives of older male spousal dementia caregivers, **Olga Asrun Stefansdottir** (University of Akureyri), **Mai Camilla Munkejord** (Western Norway University of Applied Sciences) **Eydis Kristin Sveinbjarnardottir** (University of Akureyri)

Changing meanings of informal care at the end of life. Intersectional perspectives pre- and post- Covid19, **Arianna Santero** and **Alessandro Gusman** (University of Turin)

Parallel Sessions B - Thursday 24 h. 5.45 - 7.15 pm (Central European Time)

S9 - ROOM 1 - Aging at home in times of the corona pandemic: disruptive temporalities

(Convenors: Sílvia Bofill-Poch, University of Barcelona; Paloma Moré, University of A Coruña; Discussant: Alessandro Gusman, University of Turin)

Time for caring and COVID-19: family caregivers of elderly and care-dependent people, **Marcela Jabbaz Churba** (University of Valencia), **Soronellas-Masdeu Montserrat** (Rovira i Virgili University)

Domestic workers: the meaning of their work-life times in the COVID19 crisis, **Jesús Martínez Sevilla** (University of Granada), **Carmen Gregorio Gil** (University of Granada), **Ana Lucía Hernández Cordero** (University of Zaragoza), **María del Pilar Tudela-Vázquez** (University of Granada)

S11 - ROOM 2- The negotiation and regulation of time in formal care arrangements

(Convenors: Diane Burns and Duncan Fisher, University of Sheffield; Discussants: Norah Keating, University of Alberta; Helena Hirvonen, University of Eastern Finland)

The control of care workers' unpaid time in innovative home care provider organisations, **Diane Burns**, **Kate Hamblin**, **Cate Goodlad**, **Duncan Fisher** (University of Sheffield)

Nursing home employees' experiences of person-centred care: Responses to work intensification and working-time extension, **Lander Vermeerbergen** (Radboud University/KU Leuven), **Juliane Imbush**, **Valeria Pulignano** and **Ella Petrini** (KU Leuven), **Aoife McDermott** (Cardiff University)

Live-in care: Migrant care workers' negotiation of time across boundaries and borders, **Obert Tawodzera** (University of Sheffield)

TP1a - ROOM 3 - Intersectionality in Care

(Convenor: Hildegard Theobald, University of Vechta)

Developing an intersectional framework for conducting home care research, **Christine Kelly** (University of Manitoba), **Lisette Dansereau** (University of Manitoba), **Katie Aubrecht** (St. Francis Xavier), **Yeonjung Lee** (University of Calgary), Allison Williams (McMaster University)

How intersections of privilege and otherness make care migrants' input invisible, **Ewa Palenga-Möllenbeck** (Goethe-University Frankfurt)

ObsCare - A piece of art and a social tool, **Johanna Brummack** (Kunsthochschule Kassel)

TP5a - ROOM 4 - Conflicts and compromises between temporalities of care work and temporalities of employment

(Convenor: Annie Dussuet, University of Nantes)

To stay a while - the volatile temporalities of work in long-term care of older people, Hämäläinen, Antti (University of Jyväskylä), **Salla Era** (University of Jyväskylä), **Leinonen Emilia** (University of Jyväskylä)

Private placement agencies role in shaping temporalities of care work, **Lucia Amorosi** (University of Milan)

The seasonality of home help work on the French seaside: less workforce and more needs, a double scissors effect, **Olivier Crasset** (University of Nantes)

TP10a - ROOM 5- Care Work in the Household under Time Pressure: Coping Strategies and Precarious Time Frames?

(Convenors: Tanja Carstensen and Almut Peukert, Hamburg University)

(Re)structuring childcare arrangements during the COVID-19 pandemic. A gender lens on coping strategies in intact and stepparents families in Switzerland, **Sandra V. Constantin** (University of Oxford)

The Effects of Argentina's COVID-19 Lockdown on Women's Time Use Dynamics, **Mariana De Santibañes** (New York University)

"Unfortunately, the world is closed for now". Technical and moral logistics of the pandemic in the experience of US-based nannies, **Anna Rosińska** (Ca' Foscari University)

The vicious circle of familism in care and housing in Greece during the COVID-19 pandemic. Welfare and biopolitics, **Myrto Dagkouli-Kyriakoglou** (Malmo University)

Contributed paper: *Housewifization of Work on the Self - a feminist-materialist lens on self-optimization*, **Cosima Langer**

TP13a - ROOM 6 - Time to care: critical perspectives on "fast policy regimes" and anticipatory techniques in care policy

(Convenors: Carlotta Mozzana and Davide Caselli, University of Milano-Bicocca)

The use of social impact bonds in children's social care: A comparative analysis of project justifications and design expectations in the Life Chances Fund, **Tanyah Hameed** (University of Oxford)

Identifying Clusters of Nursing Facilities that Responded Differently Over Time to a New Value Based Reimbursement System, **Zachary Hass** (Purdue University School of Nursing)

Time and logics of care in financial education, **Maria Dodaro** (University of Milano-Bicocca)

*Framing Care through investment and measurement: the Social Impact Bonds adoption in the French context, **Vincenzo Buffa** (Université d'Angers)*

TP15 - ROOM 7 - How to measure care? Innovative reflections and proposals with quantitative and qualitative approaches

(Convenors: Karina Batthyany and Natalia Genta, Universidad de la República)

*There's nothing 'free' about my time: Monetizing family care work in Canada, **Janet Fast** (University of Alberta)*

*Survey of Care Strategies in Montevideo, **Batthyany Karina** (Universidad de la República), **Natalia Genta** (Universidad de la República)*

*What decides how do I spend my time? An analysis of unpaid care work in heterosexual couples in Colombia, **Michelle Vernet-López** (Universidad de Barcelona)*

*Time for care in school arrangements, **Julia Spitznagel** (University of Bayreuth)*

TP18a - ROOM 8 - COVID-19 and Long-term care for older people - international policy responses and learnings

(Convenors: Elena Bogdanova, European University at St.Petersburg; Tine Rostgaard, Roskilde University)

*Impact of COVID-19 Responses on Care in Community from People Living with Dementia and their Family/Friend Carers: An Intersectional Health Equity Analysis, **Katie Aubrecht** (St. Francis Xavier University)*

*Community care about the elderly in Russia under COVID self-isolation regime: risks and advantages, **Elena Bogdanova** and **Aliia Nizamova** (European University at St. Petersburg)*

*How did Japanese "Community-based Integrated Care System" work in the COVID-19 pandemic? - focus on differences between bottom-up model and bureaucratic mode, **Yayoi Saito** (Osaka University)*

*Everyday life among frail elderly people in Denmark in the light of the COVID-19 pandemic, **Pernille Tufte** (Tufte Research)*

Parallel Sessions C - Friday 25 h. 8.30- 10.00 am (Central European Time)

S8 - ROOM 1 - Transnational care within the European Union in times of COVID-19: Perspectives from Central and Eastern Europe

(Convenors: Petra Ezzeddine, Charles University; Michael Leiblfinger, Johannes Kepler University)

The political economy of translocal social reproduction in Central Europe, **Zuzana Uhde** (Czech Academy of Sciences) and **Petra Ezzeddine** (Charles University, Prague)

The invisible hand of the state: Why public authorities do not regulate the transnational care market between Ukraine, Poland and Germany, **Anna Safuta** (University of Bremen)

Confronted with COVID-19: Migrant live-in care during a pandemic, **Michael Leiblfinger** and **Veronika Prieler** (Johannes Kepler University Linz), **Mădălina Rogoz** (International Centre for Migration Policy Development), **Martina Sekulová** (Slovak Academy of Sciences)

Crises as catalysts? The case of Romanian migrant care workers in Italian home-based care arrangements, **Marlene Seiffarth** (University of Bremen)

TP2a - ROOM 2 - ECEC services after covid-19: searching to combine sustainability, safety, quality

(Convenors: Stefania Sabatinelli and Marta Cordini, Polytechnic University of Milan)

Gender, dependent children and wellbeing during the first wave of the COVID-19 pandemic, **Ralston Kevin** (University of Edinburgh), **Ingela Naumann** (University of Edinburgh), **Marshall Alan** (University of Edinburgh), **Gorton Vicrotia** (University of Edinburgh)

Tackling the pandemic. Employment relations in childcare services in Italy, **Stefano Neri** (University of Milan)

Governance challenges for the Italian ECEC system during the pandemic lockdown, **Tatiana Saruis** (University of Modena and Reggio Emilia), **Bertozi Rita** (University of Modena and Reggio Emilia)

TP3b - ROOM 3 - Time in disability policies and in support for disabled people in different care regimes

(Convenors: Yueh-Ching Chou, National Yang Ming Chiao Tung University; Teppo Kröger, University of Jyväskylä)

*The transforming of care - the temporality of policies and practices for persons with a chronic disability, **Marte Feiring** (Oslo Metropolitan University)*

*'What do you receive in return?!' How present-day emphasis on independency and reciprocity pressurizes mothers of children with a profound intellectual disability, **Inge van Nistelrooij** and **Femmianna Bredewold** (University of Humanistic Studies)*

*The situation of disabled people in Hungary: changing and new mechanisms of inequalities and social exclusion, **Ágnes Turnpenny, Gábor Petri, Anikó Bernát** (TARKI)*

TP13b - ROOM 4 - Time to care: critical perspectives on “fast policy regimes” and anticipatory techniques in care policy

(Convenors: Carlotta Mozzana and Davide Caselli, University of Milano-Bicocca)

*Time for more care, Time for more crisis, **Stephanie Davies** (University of London)*

*Lean management and the rhythms of care, **Iiris Lehto** (University of Eastern Finland)*

*Documenting homecare in the UK in a time of crisis, **Kerry Harman** (University of London)*

TP14a - ROOM 5 - Negotiating and arranging care during the COVID-19 pandemic and shifting grounds: the effectiveness of policies in shaping a responsive and resilient care system

(Convenor: Shereen Hussein, The London School of Hygiene & Tropical Medicine)

*Teleworking and re-familiarisation of care during the COVID pandemic: a case study at the University of Valencia, **Isabel Pla-Julià** (Universidad de Valencia)**

*Justice for Family Carers - Can the concept of wellbeing help?, **Maria Cheshire-Allen** (Swansea University)**

*Care in times of COVID-19: The impact of the pandemic on informal caregiving in Austria, **Schmidt Andrea** (Austrian National Public Health Institute)**

TP18b - ROOM 6 - COVID-19 and Long-term care for older people - international policy responses and learnings

(Convenors: Elena Bogdanova, European University at St.Petersburg; Tine Rostgaard, Roskilde University)

*Window still closed? Discourse on long-term care policy during Covid-19 outbreak in Poland, **Kamil Matuszczyk** (University of Warsaw)*

*Long-term care in Covid-19 pandemic in Russia: challenges and reactions, **Oxana Sinyavskaya** (National Research University - Higher School of Economics)*

*On key workers in an endangered system: policy responses and narratives in Austrian migrant live-in care during the pandemic, **Michael Leibfinger** (Johannes Kepler University Linz)*

*«It never rains but it pours». The Italian low-cost long-term care system in the COVID crisis, **Silvia Borelli** (University of Ferrara)*

TP22 - ROOM 7 - Technology and care

(Convenor: Giuliana Costa, Polytechnic of Milan)

Solving coordination problems in elderly care: how stakeholders in Germany and Sweden assess the role of digital tools, **Katharina Koch** (University of Mannheim)

Optimizing Care With Mobile Phone and Apps? Sociological Perspectives on Digital Practices Between Job and Family, **Tanja Carstensen** (University of Hamburg)

Care as a high-tension zone: Investigating frictions and temporalities in technologized care arrangements, **Lisa Wiedemann** (Helmut-Schmidt-Universität Hamburg), **Hannah Gruen** (Helmut-Schmidt-University Hamburg)

Technology as 'time saver' and 'saviour' in care services for older people. Exploring policy and practice in a Nordic welfare state context, **Yngvild Brandser Alvsåker** (Western Norway University of Applied Science)

Contributed paper: *Beyond the clinical evaluation of mobile health innovations: Searching for sustainability in health systems*, **Degavre Florence**, **David Bol**, **Suzanne Kieffer**, **Georgiana Sandu**, **Charlotte Desterbecq**, **Thibault Pirson**, **Rémi Dekimpe** and **Sandy Tubeuf** (UC Louvain)

Parallel Sessions D - Friday 25 h. 11.00 am - 12.30 pm (Central European Time)

S2 - ROOM 1 - Time Use Studies, Care Work, and Care Responsibilities: Conceptual, Methodological, and Epistemological Issues

(Convenor: Andrea Doucet, Brock University; Discussant: Nancy Folbre, University of Massachusetts)

Parents' Time "With" versus "For" Children: Social Status Dimensions, **Melissa Milkie** (University of Toronto)

Child co-presence, gender and time use across 5 waves of the UK COVID-19 pandemic, **Oriel Sullivan** (University College of London)

The Critical Temporalities of Serial Migration: Negotiating Care Relations among Migrant-Sending Families in Southeast Asia, **Brenda S.A. Yeoh** (National University of Singapore)

Care responsibilities and time: Methodological, conceptual, and epistemological issues, **Andrea Doucet** (Brock University)

S4 - ROOM 2 - Covid-19 and the centrality of care: childcare, the State, and undoing 'gendered' responsibilities around paid and unpaid care work

(Convenors: Elena Moore, University of Cape Town; Sara Cantillon, Glasgow School for Business and Society; Discussant: Angela O'Hagan, Glasgow Caledonian University)

"We have not given it full consideration": The South African state's response to care and caring for young children during Covid-19, **Elena Moore** and **Nonzuzo Mbokazi** (University of Cape Town)

On the verge of collapse? Covid-19, the State and the provision of childcare. Exploring the pillars propping up the UK sector, **Sara Cantillon** and **Nina Teasdale** (Glasgow Caledonian University)

Childcare, food security and responsibilities during the pandemic in Brazil, **Renata Moreno** (Sao Paulo)

Mothers, childcare duties, and remote working under COVID-19 lockdown in Italy: Cultivating communities of care, **Alessandra Minello** and **Lidia Manzo** (University of Milan)

S5 - ROOM 3 - Ageing in place

(Convenor: Costanzo Ranci, Polytechnic of Milan; Discussants. Tine Rostgaard, Roskilde University; Margarita Leon, Universitat Autònoma de Barcelona)

*Aging in place and living alone in urban and inner areas. Frailty, social isolation and loneliness, **Marco Arlotti** and **Stefania Cerea** (Polytechnic of Milan)*

*Care arrangements of frail older people living alone in Italy, **Giovanni Lamura** and **Maria Gabriella Melchiorre** (INRCA Ancona)*

*Time and space in care. The importance of the spatial context for ageing in place, **Flavia Martinelli**, **Antonella Sarlo** and **Francesco Bagnato** (Mediterranean University of Reggio Calabria)*

S10 - ROOM 4 - Intersectional perspectives on care and care needs in older adults

(Convenors: Ricardo Rodrigues, European Centre for Social Welfare Policy and Research, Susan Phillips, Queen's University; Discussant: Francesca Bettio, University of Siena)

*An introduction to intersectionality theory and quantitative approaches for studying sex and social locations, **Susan Phillips** (Queen's University), **Vafaei Afshin** (Queen's University), **Yu Siu** (Queen's University), **Rodrigues Ricardo** (European Centre for Social Welfare Policy and Research)*

*Cohort specific disability trajectories among older women and men in Europe 2004-2017, **Stefan Fors** (Karolinska Institute), **Ilinca Stefania** (European Center for Social Welfare Policy and Research), **Janet Jull** (Queen's University), **Selma Kadi** (European Center for Social Welfare Policy and Research)*

*Gender differences in access to community-based caring resources in old age: An examination of the effects of widowhood and living arrangements, **Stefania Ilinca** (European Centre for Social Welfare Policy and Research), **Rodrigues Ricardo** (European Centre for Social Welfare Policy and Research), **Fors Stefan** (Aging Research Center Karolinska Institutet), **Zolyomi Eszter** (European Centre for Social Welfare Policy and Research)*

*Gendered cohort trajectories for informal caregiving in Europe between 2004 and 2015, **Ricardo Rodrigues** (European Centre for Social Welfare Policy and Research), **Rehnberg Johan** (Karolinska Institutet & Stockholm University), **Cassandra Simmons** (European Centre for Social Welfare Policy and Research)*

TP1b -ROOM 5 - Intersectionality in Care

(Convenor: Simone Leiber, University of Duisburg-Essen)

*Cohabitation, domestic hyper-proximity and intersectionality, **Giuliana Costa** (Polytechnic of Milan)*

*Coming Out to Care: The experiences of 2SLGBTQ+ carer-employees in Canada, **Sophie Geffros** (McMaster University), **Allison Williams** (McMaster University)*

*Care homes as places of intersecting histories, **Killias Olivia** (University of Zurich), **Kristine Krause** (University of Amsterdam)*

TP5b - ROOM 6 - Conflicts and compromises between temporalities of care work and temporalities of employment

(Convenor: Francesca Alice Vianello, University of Padua)

The everyday management of conflictual temporalities among Moldovan care workers, **Francesca Alice Vianello** (University of Padua)

Is the work of migrant live-in elderly carers worth less? Defining working conditions and remuneration based on the opposition between 'work' and 'presence', **Chiara Giordano** (Université Libre de Bruxelles)

The fuzziness of work temporalities for migrant live-in workers taking care of elderly people in Spain, **Diana Mata-Codesal** (University of Barcelona), **Sílvia Bofill-Poch** (University of Barcelona)

Situating paid care within timescales of welfare state provisions, and of working and caring biographies: temporality of paid care employment in Slovakia, **Zuzana Sekeráková Búriková** (Slovak Academy of Sciences)

TP7a - ROOM 7 - Inequalities and care needs

(Convenors: Lina Van Aerschot, University of Jyväskylä; Teppo Kröger, University of Jyväskylä; Nicola Brimblecombe, London School of Economics and Political Science)

Met or unmet need for long-term care: formal and informal care in Southern Europe, **Paula Albuquerque** (University of Lisbon)

The use of long-term care among people aged 70+ at the end of life: Utilization decreased over time among the oldest old with and without dementia, **Mari Aaltonen** (Tampere University), **Forma Leena** (University of Helsinki), **Jylhä Marja** (Tampere University) **Pulkki Jutta** (Tampere University)

Care management of assistive technology provision in standardized and marketized elderly care, **Nobu Ishiguro** (Osaka University)

"Mind the Gap": Community Aged Care Services, **Gudmund Ágnotes** (Western Norway University of Applied Sciences), **Bodil Hansen Blix** (The Arctic University of Norway), **Jacqueline Choiniere** (York University), **Tamara Daly** (York University)

Parallel Sessions E - Friday 25 h. 4.00 pm - 5.30 pm (Central European Time)

S13 - ROOM 1 - Disputed temporalities: long-term care services in times of Covid-19

(Convenors: Matxalen Legarreta, University of the Basque Country UPV/EHU; Tomasa Báñez, University of Barcelona; Discussants: Encarnación Gutiérrez Rodríguez, Justus Liebig University; Paloma Moré Corral (University of Da Coruña)

Working in a residence in times of Covid-19: dislocations in work times and in life time, **Dolors Comas d'Argemir** (University Rovira i Virgili), **Marina Sagastizabal** (University of the Basque Country UPV/EHU), **Cristina García Sainz** (Autonomous University of Madrid)

The covid-crisis: a risk for work/family balance and career for in-home nurses?, **Florence Degavre** (CIRTES UCLouvain), **Annalisa Casini** (CIRTES UCLouvain), **Donatienne Desmette** (CIRTES UCLouvain), **Patricia Mélotte** (CRPSI/ULB)

Home care service providers in Brussels: time adjustments in times of COVID-19 and the consequences for front-line elderly carers, **Chiara Giordano** (Université Libre de Bruxelles)

Redefining Space and Time of care during COVID-19 in Spain, **Cayuela Sánchez Salvador** (University of Murcia), **Alcázar Campos Ana** (University of Granada), **Rico Becerra Juan Ignacio** (University of Murcia), **Roca Escoda Mireia** (University Rovira i Virgili)

TP6a - ROOM 2 - Governance and professionalism: neo-liberalism, care crisis and agency

(Convenors: Hanne Marlene Dahl, Roskilde University)

The Care Gap, **Monique Lanoix** (Saint Paul University)

Emotional labour and the Realities of Paid Care work, **Duncan Fisher** (Teesside University)

Enrolment of family caregivers and professionalization of long-term care: How do family carers relate to the norms of professionalism in the French case?, **Olivier Giraud** (Lise-CRNS, France)

TP14b - ROOM 3 - Negotiating and arranging care during the COVID-19 pandemic and shifting grounds: the effectiveness of policies in shaping a responsive and resilient care system

(Convenor: Shereen Hussein, The London School of Hygiene & Tropical Medicine)

Uncovering the conflicts of care ideas : Different care work experiences during COVID-19 pandemic, **Bo-Yung Kim** (Yeungnam University), Yoon Seonwoo (Yonsei Univeristy Han), **Seon-hoe** (Yonsei Univeristy), **Choi Young Jun** (Yonsei University)

Neoliberal care policy: how does EU policy address the crisis of social reproduction?, **Elena Zacharenko** (Tampere University)

Care for the elderly during Covid 19 pandemic. Polish experiences, **Beata Ziębińska** (Pedagogical University of Cracow)

TP16b - ROOM 4 - Comparing long-term care policies in time and space: Historical developments and cross-country variations

(Convenors: Johanna Fischer, University of Bremen; Heinz Rothgang, University of Bremen)

A history of invisibility - the case of long-term care in Norway, **Karen Christensen** (Roskilde University)

Long term care regimes and the intersection of structural regulations in Southern Eutopean countries and elsewhere: towards new typologies?, **Rossana Trifiletti** (University of Florence)

Care - What Next in an Ageing Society? The view from England and Japan, **Ala Szczepura** (Coventry University), **Wild Deidre** (Coventry University), **Nomura Toshio** (Coventry University), **Collinson Mark** (Mark Collinson Consultancy Services), **Ed Russell** (WCS Care Group Ltd), **Harue Masaki** (Chiba University), **Lisa Bayliss-Pratt** (Coventry University), **Guy Daly** (Coventry University)

TP17b - ROOM 5 - The changing meaning of informal care

(Convenors: Barbara Da Roit, Ca' Foscari University of Venice)

Family Care as a Form of Work? Varieties of the (Re-)Definition of "Work" in European Welfare States, **Thurid Eggers** (University of Bremen), **Christopher Grages** (University of Hamburg), **Birgit Pfau-Effinger** (University of Hamburg)

Transformative Textual Perspectives on Parental Care & the Deep Old Age, **Ieva Stončikaitė** (Group Dedal-Lit, U of Lleida)

Bodies and the visual transposal of care: a comparative approach, **Sara Mondini** (Ca' Foscari University of Venice)

The "becoming" of informal care: potential demand and supply of informal eldercare in Italy from the late 19th Century, **Barbara Da Roit**, **Cristina Calvi** (Ca' Foscari University)

TP19 - ROOM 6 - (Grand)parenting time and temporality

(Convenor: Tine Rostgaard, Roskilde University)

Immigration and carework in Quebec and Ontario: A feminist border analysis of Canada's subnational immigration-care regimes, **Karine Côté-Boucher** (Université de Montréal), **Susan Braedley** (Carleton University)

Fathers and mothers, sons and daughters: a double gender glance, **Decataldo Alessandra** (University of Milano-Bicocca), **Brunella Fiore** (University of Milano-Bicocca), **Noemi Novello** (University of Milano-Bicocca)

Embedding care recipient's perspectives into a maternity care model to support breastfeeding, **Theresa Bengough** (KU Leuven), **Hui Lin Cheng** (The Hong Kong Polytechnic University), **Alison McFadden** (University of Dundee), **Anna Gavine** (University of Dundee)

Are policies and cultural values concerning childcare related? A historical comparison of GDR and FRG with post-unified Germany, **Leonie Kleinschrot** (German Youth Institute)

Contributed paper: *How do family policy affect expectations of cooperation in parental care: A SCAT-based analysis of interviews with prenatal couples in Japan*, **Chino Yabunaga** (Toyo University), **Ito Daisuke** (Toyo University)

TP23 - ROOM 7 - Work Life Balance

(Convenor: Birgit Pfau-Effinger, University of Hamburg)

The role of long-term care systems in the work-life balance of working caregivers in Europe: a cross-country policy design comparison, **Samuel Briones** (Utrecht University), **Mara Yerkes** (Utrecht University)

Parental leave in debate: how much do states commit to transforming the time mothers and fathers spend caring and working?, **Batthyány Karina** (Universidad de la República), **Valentina Perrotta** (Universidad de la República)

Space-time Prisms of Carer-Workers Juggling Unpaid Care and Paid Work, **Allison Williams** (McMaster University)

Availability of caregiver-friendly workplace policies: an international scoping review follow-up study, **Allison Williams**, **Frances Lorenz**, **Lisa Whittaker**, **Julia Tazzeo** (McMaster University)

Care Platforms: Time savers or time oppressors?, **Franziska Baum** (University of Hamburg)

Contributed paper: *Gender Gaps in Care Work: Evidences from Argentina, Chile, Spain and Uruguay*, **Màrius Domínguez-Amorós** (Universidad de Barcelona), **Karina Batthyány** (Facultad de Ciencias Sociales de Montevideo), **Sol Scavino Solari** (Universidad de la República Oriental del Uruguay)

Parallel Sessions F - Saturday 26 h. 9.00 am - 10.30 am (Central European Time)

S3 - ROOM 1 - Technology, care and temporality: 'care' at a distance and in an instant?

(Convenors: Kate Hamblin, University of Sheffield; Giovanni Lamura, INRCA-IRCCS: National Institute of Health and Science on Ageing; Centre for Socio-Economic Research on Ageing; Discussant: Andreas Hoff, Zittau-Görlitz University of Applied Sciences)

Technology and Social Care in a Digital World: UK Policy and Practice Shifts, **Kate Hamblin** (University of Sheffield)

Role of healthcare professionals in supporting digital technology use for successful ageing in place, **Kate O'Loughlin**, **Meryl Lovarini** and **Lindy Clemson** (University of Sydney)

Challenges and Recommendations for the Deployment of Information and Communication Technology Solutions for Informal Caregivers, **Alhassan Yosri Ibrahim Hassan** (Centre for Socio-Economic Research on Ageing, Italian National Institute of Health & Science on Ageing)

S7 - ROOM 2 - Temporal dimensions of digital technology in the long-term care of older people

(Convenor: Helena Hirvonen, University of Eastern Finland; Discussants: Eveline J.M. Wouters, Tilburg University; Virpi Timonen, Trinity College)

Temporalities of digital care, **Annette Kamp**, **Sidsel Lond Grosen** and **Agnete Meldgaard Hansen** (Roskilde University)

Sense of belonging in a digitalised care work community, **Mia Tammelin** (University of Jyväskylä), **Helena Hirvonen** (University of Eastern Finland), **Riitta Hänninen** (University of Jyväskylä), **Antti Hämäläinen** (University of Jyväskylä)

Eternally in a process of becoming digital citizen? Qualification temporalities in the lives of migrant women in Finland, **Ulla Buchert** (University of Helsinki)

Considering the 'Ageist Factor' in Designing Policy and Digital Technology for Older Adults, **Ittay Mannheim** (Tilburg University), **Hanna Köttl** (Bar-Ilan University)

S12 - ROOM 3 - Rhythm is Gonna Get You: the Tempo of Care Policy and Practice

(Convenors: Catherine Needham, University of Birmingham; Matthew Lariviere, University of Sheffield; Discussant: Jason Danely, Oxford Brookes University)

Quick, quick, slow: comparing the tempo of care funding reform in the four nations of the UK, Catherine Needham (University of Birmingham), **Patrick Hall** (University of Birmingham)

Time in UK Care Policy Systems, Patrick Hall (University of Birmingham), **Catherine Needham** (University of Birmingham)

Rhyme of translation and implementation - A case study of how frontline workers translate co-production into their professional practice, Nanna Møller Mortensen (Aalborg University)

TP7b - ROOM 4 - Inequalities and care needs

(Convenors: Lina Van Aerschot, University of Jyväskylä; Teppo Kröger, University of Jyväskylä; Nicola Brimblecombe, London School of Economics and Political Science)

Perceptions about quality of child care and long-term care across care regimes and rural-urban divides, Nevena Kulic (University of Konstanz), **Tine Rostgaard** (Roskilde University)

Caring through and for diversity: a case of cultural-sensitive approaches in the Netherlands, Brigitte Möller (Social and Cultural Anthropology)

What Trauma-Related Psychiatric Diagnosis Can Teach Us About Agency and Need in Care-Imperished Communities, Shoshana Lauter (London School of Economics)

The regulation of care poverty in rudimentary welfare regimes - the Greek approach to care for vulnerable groups, Gabriel Amitsis (University of West Attica), **Marini Fotini** (University of West Attica)

Compensating governance architecture of social care in Western Europe: concept, measurement and consequences for social inequality, Eva-Maria Euchner (LMU Munich)

TP8 - ROOM 5 - Imagining an Alternative Future: Collaborative Housing as an Option for Aging and Caring

(Convenors: María Offenhenden, Universitat Rovira i Virgili; Nina Navajas-Pertegás, Universitat de València)

Transforming eldercare? Exploring the narratives sustaining self-managed senior co-housing in Spain, **Yolanda Bodoque-Puerta** (Universitat Rovira i Virgili), **Offenhenden María** (Universitat Rovira i Virgili)

Resilience, adaptation and limitations: Testing local social capital of Collaborative Housing Communities through the COVID-19 pandemic, **Misa Izuhara** (University of Bristol), **Hudson Jim** (University of Bristol), **West Karen** (University of Bristol)

Perceptions of care in communal senior housing, **Paula Vasara** (University of Jyväskylä)

TP10b - ROOM 6 - Care Work in the Household under Time Pressure: Coping Strategies and Precarious Time Frames?

(Convenors: Tanja Carstensen and Almut Peukert, Hamburg University)

Protected through part-time work? Employment, domestic responsibilities, and life satisfaction of women in Germany during the COVID-19 pandemic, **Ariane Bertogg**, **Susanne Strauss** (University of Konstanz), **Nevena Kulic** (University of Konstanz; European University Institute)

Synchronizing childcare and paid work. Home-based work as danger to reinforced or potential to weaken the gendered division of paid and unpaid labor in families with children?, **Jana Mikats** (University of Graz and University of Vienna)

Time pressure and reconciliation of paid and unpaid work in Luxembourg during the pandemic, **Irina Gewinner** (University of Luxembourg), **Cosaert Sam** (LISER), **Görges Luise** (Leuphana University)

Temporality and parental nest care in face of transitions: An exemplary comparison of the phases 'pregnancy' and 'empty nest', **Marie-Kristin Doeblner** (Eberhard Karls Universität Tübingen), **Gerstewitz Julia** (University of Giessen)

Contributed paper: *Time spent caring - the externalisation of temporal costs in regimes of consumer directed care*, **Lukas Hofstaetter** (Carers NSW)

TP20 - ROOM 7 - Long-term care time and temporality

(Convenor: Costanzo Ranci, Polytechnic of Milan)

*Examination of the interdependence of cash-for-care schemes and the housing context, **Paweł Łuczak** (Poznań University of Economics and Business)*

*Ambivalences around family care, **Ana Paula Gil** (Centro Interdisciplinar de Ciências Sociais, NOVA.FCSH)*

*Addressing the new demand for care needs in industrialised China, **Ijin Hong** (Sun Yat-sen University)*

*Contributed paper: Performative Compliance and the State-Corporate Structuring of Neglect in a Residential Care Home for Older People, **Joe Greener** (University of Liverpool)*

Parallel Sessions G - Saturday 26 h. 11.15 am - 12.45 pm (Central European Time)

S6 - ROOM 1 - Nordic elder care in transition - exploring dynamics of change

(Convenor: Mia Vabø, Oslo Metropolitan University; Commentators: Betina Dybbroe, Roskilde University; Anne Liveng, Roskilde University; Marta Feiring, Oslo Metropolitan University)

Reablement in different governance contexts. A sensemaking perspective on allocation practice and service organization, **Lea Graff** (VIVE- The Danish Center for Social Science Research), **Vabø Mia** (Oslo Metropolitan University)

Training the aging social bodies. New knowledge paradigms and professional practices in elderly care, **Annette Kamp** and **Betina Dybbroe** (Roskilde University)

Scientific and care rationality revisited. Negotiating and adapting assessment tools in Norwegian reablement, **Maya Flensborg Jensen** (VIVE: The Danish Center for Social Science Research), **Vabø Mia** (Oslo Metropolitan University)

Keeping fitness at a distance: Maneuvering in the complex terrain of public day-care institutions, **Christine Øye** (Western Norway University of Applied Sciences)

TP2b - ROOM 2 - ECEC services after covid-19: searching to combine sustainability, safety, quality

(Convenors: Stefania Sabatinelli and Marta Cordini, Polytechnic University of Milan)

Childcare policy reforms in 21st century South Korea: moving towards more 'publicness'?, **Sunwoo Ryu** (University of Oxford)

Informalizing childcare during the pandemic? Policies towards childcare during the first wave of the COVID-19 pandemic in different types of care arrangements, **Christopher Grages** (University of Hamburg), **Thurid Eggers** (University of Bremen)

Early childhood education and care in Italy: investments and effects on the 0-6 educational system, **Marco Marcucci** (INAPP), **Alessia Rosiello** (INAPP)

Precautions and Implementations on Early Child Care Services in Turkey during the Covid-19 Pandemic, **Aslı Şahankaya Adar** (Beykent University)

TP4 - ROOM 3 - Transforming Care Policies in Light of Global COVID-19 Pandemic: Different Welfare Regimes, Different Paths?

(Convenors: Alexandra Kaasch and Cansu Erdogan, Bielefeld University)

Long-term care in Turkey and Covid-19 Response What does a familialist model tell us?, **Başak Akkan** (Bogazici University), **Canbazer Cemre** (Boğaziçi University Social Policy Forum)

Long-term care and COVID-19 - Effects of institutional variation, **Peterson Elin** (Stockholm University), **Tine Rostgaard** (Rocksdale University)

Caring in Australia during Covid-19 - The challenges for informal carers, **Lukas Hofstaetter**, **Sarah Judd-Lam**, **Grace Cherrington** (Carers NSW)

TP6b - ROOM 4 - Professionalizing or de-professionalizing care work embedded in the changing institutional setting of elderly care

(Convenors: Hildegard Theobald, University of Vechta; Hanne Marlene Dahl, Roskilde University)

Professionalising the informal care sector in Italy: What opportunities for change?, **Sergio Pasquinelli** and **Francesca Pozzoli** (University of Milan)

Blurring boundaries: Exploring the varied role of volunteers in care settings for older people, **Eleanor Johnson** (University of Bristol), **Ailsa Cameron** (University of Bristol), **Paul Willis** (University of Bristol), **Randall Smith** (University of Bristol)

Understanding and measuring the work-related quality of life among those working in adult social care: A scoping review, **Barbora Silarova** (University of Kent), **Nadia Brookes** (University of Kent), **Palmer Sinead** (University of Kent), **Ann-Marie Towers** (University of Kent), **Shereen Hussein** (London School of Hygiene & Tropical Medicine)

TP9 - ROOM 5 - Long-term care in life course perspective: novel theoretical and empirical findings

(Convenors: Andrej Srakar and Maša Filipovič Hrast, University of Ljubljana)

Long-Term Care for Older British People Living in Spain, **Kelly Hall** (University of Birmingham)

When Adolescents Take Financial Care of the Family: Adolescent Employment, Parental Marital Status, Gender and Household Income, **Anat Herbst-Debby** (Bar Ilan University), **Amit Kaplan** (Tel Aviv-Jaffa Academic College), **Miri Endeweld** (Bar Ilan University), **Noa Achouche** (Bar Ilan University)

Childhood adversities and unmet long-term care needs: The mediation effects of family relationships, **Bo Hu** (London School of Economics and Political Science), **Mingyu Wei** (Newcastle University)

The past casts a long shadow: an exploratory analysis on the pathways into intergenerational caregiving using life course concepts, **Ricardo Rodrigues** (European Centre for Social Welfare Policy and Research), **Filipovic Hrast Maša** (University of Ljubljana), **Selma Kadi** (European Centre for Social Welfare Policy and Research), **Miriam Cerar** (University of Ljubljana), **Valentina Hlebec** (University of Ljubljana)

Contributed paper: *Protecting adolescent young carers in Europe through legislation and policy: Findings from a transnational analysis*, **Elena Guggiari** (Careum School of Health), **Leu Agnes** (Kalaidos University of Applied Sciences)

TP21 - ROOM 6 - Migrant care work

(Convenor: August Österle, University of Vienna)

Dilemmas around temporariness and transnational recruitment agencies: the case of migrant caregivers in Taiwan and Germany, **Sabrina Marchetti** (Ca' Foscari University), **Giulia Garofalo Geymonat** (Ca' Foscari University)

Contrasting contexts: investigating the variations of migrant care work, **Bernhard Weicht** (University of Innsbruck)

Framework Conditions for Working Hours - The Organization of Time in Live-in care work in Germany, **Simone Habel** (Oswald von Nell-Breuning Institut), **Rebekka Pflug** (Europa-University Viadrina)

Contradictions and dilemmas in welfare in times of pandemic: migrant care workers in Spain, **Paloma Moré-Corral** (Universidade da Coruña), **Raquel Martínez-Buján** (University of A Coruña)

Contributed paper: *'We are all interdependent': A study of relationships between migrant live-in carers and employers in Taiwan*, **Mai Camilla Munkejord** (Western Norway University of Applied Sciences), **Ness Tove M.** (Nord University), **Gao I-An Wasiq Silan** (University of Helsinki)

** To Be Confirmed*
